Fax (505)-883-5022  
Mr. Joseph Gallegos, AIA, LEED BD+C  
jgallegos@huitt-zollars.com

### **QUESTIONS**

1. *Are the steel shelters prefabricated? Who is the manufacturer for the steel shelters? Are they Add Alternatives?*
  - a. The construction of the shelters is up to the Bidders; however the Bidders must follow the requirements shown in the Bid Documents. The construction and installation of the shelters is the responsibility of the Bidders. The shelters are not Additive Alternates.
2. *The City of Gallup website project description calls for bid additives such as site lighting, decorative fencing, minor landscaping features, and picnic shelters (3ea). Are the bid additives alternates or is the extra lighting the only alternate?*
  - a. The City of Gallup website will be changed to say, ***“The City of Gallup is soliciting bids for the construction of Oliva Park at Basilio Drive. This is construction of a neighborhood park on a half-acre site located at the corner of Basilio Drive and Clay Street. Park will include vehicle parking lot, storm drainage improvements, playground equipment, site furnishings, and basketball court. Bid additives include: Dual-Head Site Lighting.*”**
3. *Is SWPPP actually required since this is only a half-acre?*
  - a. No

## **APPROVED SUBSTITUTIONS**

1. **SECTION 11 6800 PLAYFIELD EQUIPMENT AND STRUCTURES:**
  - a. Playworld Systems 1000 Buffalo Rd. Lewisburg, PA
    - i. **Play Structure - FUN-1492**
    - ii. **Dome - ZZXX0366**
